

Interplay

BY GAMERS. FOR GAMERS.

T H E G A M E S

Strap yourself in and hang on tight as you blast into the depths of space to beat the Russians to the moon. Then bounce, jump and kick your way to great typing skills with your friend, world famous Mario™. But before you do, rush to save your plundering Viking friends from the grasp of the wacky aliens. And as you utter "check" after a series of brilliant chess plays, use that same savvy mind to defend your medieval castle from marauding enemies and use the bricks from your high-tech stockbrokerage to buy the ultimate private plane. All while polygonal graphics zoom you out of this world.

Welcome to the world of Interplay™

Creative artists and engaging writers, highly acclaimed musicians and talented producers, Interplay brings its talent to your computer screen in ways you've never imagined. Since 1983, Interplay has produced award-winning entertainment and educational software unlike any others on earth.

With dozens of exciting PC titles, as well as fantastic rides through the galaxies of Super Nintendo®, Game Boy®, Mac and CD-ROM, you'll never want to return to your planet.

STONEKEEP™

The air is heavy, silent except for the faint dripping of water. You hear your own halted breathing and the sound of your footsteps quickening, echoing against the massive stone walls of the dark corridors of Stonekeep's™ abandoned fortress -- amazing, since you're stone cold dead. But your mission to regain your life leads you to this darkness. A shadowy figure strikes out from a hallway you couldn't see. In real-time combat, you must make a choice to fight or flee!

With over 10 man years of development invested, Stonekeep uses video footage of costumed characters filmed in real-life, blue-screen action. Video and sound effects created by top Hollywood talent, technical innovations that make you feel like you are truly in control of the game, and full-screen computer-generated graphics turn this amazing story into an incredibly involving experience. Your computer will disappear, as the world of Stonekeep takes over and brings you into a dungeon of the likes you have never seen before! [SRP \$79.95]

COMING SOON.

STAR TREK®

25TH ANNIVERSARY™

Excuse me, Captain, but are you prepared to pilot the U.S.S. Enterprise through Interplay's stunning, state-of-the-art, digitized model graphics? You'll control phasers, photon torpedoes, shields, communications and warp drives on a 3-D space flight simulator so real, you'll be reaching for your airbag! Explore incredible space action scenes. Interact with dozens of alien races. Navigate yourself, Spock and Bones through exciting world explorations. All to this #1 seller's complete musical score from the series and major soundboard support. (SRP \$59.95)

STAR TREK®

JUDGMENT RITES™

Captain's Log, Stardate 6238.4. You have no doubt now that you're being watched. By whom and by what type of lifeform is not determined. You're a long way from Starfleet Command and only you can discover what--or who--is challenging you beyond your wildest nightmares. Or can you? Eight original missions can be beamed into your computer with phenomenal graphics. Original series' digitized sound effects and music accompany you into deep space and the exciting galactic action that proves to be highly illogical. (SRP \$59.95)

COMING SOON.

OUT OF THIS WORLD™

Hurled through space and time by a nuclear experiment gone wrong, you now must dodge, outwit and overcome the host of alien monsters and deadly earthquakes that plague your new world.

And only a perfect blend of logic and skill will get you past the deadly obstacles that lie in wait. With digitized sound effects and a state-of-the-art, polygonal graphics system that generates real-time rotoscoped animation in a fluid system of cinematic zooms, pans, closeups and scaling, OUT OF THIS WORLD™ is as far out as you'll dare to go. (SRP \$59.95)

OUT OF THIS WORLD™

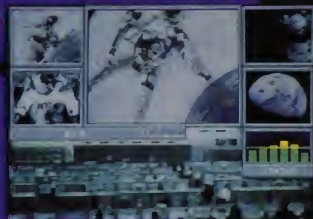

BUZZ ALDRIN'S RACE INTO SPACE™ A U.S.-SOVIET SPACE RACE SIMULATION

Three...two...one...LIFT OFF! Grab onto something tight. You're about to feel the roar of the engines as the Saturn V rocket hauls itself from the launch pad and hurtles America into the final frontier--and a race to the moon with the Russians. Buzz Aldrin, the second man to walk on the moon, helped recreate the stomach-churning excitement of America's

greatest race, with sound effects and digitized footage from actual lift-offs, spacewalks, lunar landings and splashdowns. Includes more than 140 astronauts, 30 types of space hardware and 20 moon-landing approaches. But choose carefully ... it's a long walk back to Earth. (SRP \$69.95)

CASTLES™

So you want to be king? First you'll need a kingdom. And that means a castle from which

to disperse your marauding armies. Find a good site you can easily defend, then design and build your walls, towers, gatehouses and tunnels. Tax your peasants, quarrel with the church and offend your neighbors. Now you have the perfect

monarchy in which to while away the hours. Three levels of difficulty, full 256-color VGA graphics, a musical score and major soundboard support turn #1 best-seller CASTLES™ and THE NORTHERN CAMPAIGN™ into gripping explorations of your own tyranny. [NOTE: You must have CASTLES™ to operate CASTLES: THE NORTHERN CAMPAIGN™]. [SRP \$29.95]

With the support of the Holy Church, and the Dukes of the three great houses, Worfield, Westhampton, and Northshire, the King raised taxes to

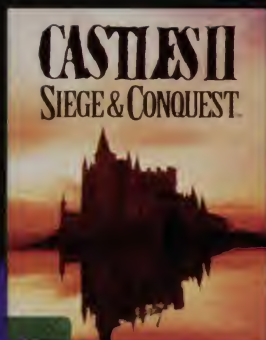

CASTLES II: SIEGE & CONQUEST™

King Charles of Bretagne is dead--what a shame...since you want to wear the crown!

All it takes is a little medieval diplomacy, bribery and war.

Now you must scout the surrounding territories, defeat the native militias, subjugate the land with castles, feed and maintain the

people, forge diplomatic alliances, appease the church and unite the land under your iron fist. Oh, and the other power-hungry barons? They're doing the same thing. With different story lines based on your choice of personality, digitized movie footage, VGA graphics and complete soundboard support, CASTLES II: SIEGE AND CONQUEST™ is as unpredictable as real life. [SRP \$59.95]

All through Bretagne and Europe, local lords gathered their forces to stake claim

THE LOST VIKINGS™

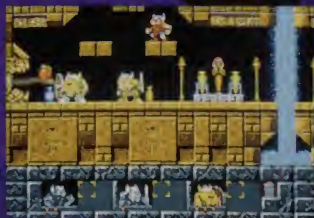

Nordic Vikes Erik the Swift™, Baleog the Fierce™ and Olaf the Stout™ are going quietly about their business of plunder and pillage, when suddenly (gasp!) they're sucked into an alien spaceship. Only you can help

them find their way home. But wait! Every door you open plunges them into a different era. And with every new era comes--you guessed it--a new enemy! Can you save their horn-adorned heads? 3S rip-roaring levels of

difficulty and a jammin' musical score provide you with hours of uninterrupted chaos.

(SRP \$39.95)

RAGS TO RICHES™

THE FINANCIAL MARKET SIMULATION

Do you have what it takes to become the righteous ruler of conspicuous consumption? Are you shrewd? Savvy? Ruthless? Greedy? Can you successfully guide your stockbroker-age from humble beginnings in a

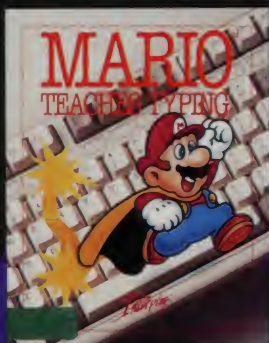

single wall-street office to international fame and fortune? This is megalomania at its best! The drive for more cars, bigger houses, fancier yachts and priceless art will compel you to take risks that could destroy your empire. Three levels of play, super VGA high resolution graphics and easy to use point-and-click interface make this the ultimate business simulation! (SRP \$59.95)

MARIO TEACHES TYPING

You helped Mario™ save the Princess. Now Mario will "teach you to type!", with

block-hitting, turtle-kicking, high-jumping, fish-fleeing, block-ducking, quicksand-hopping action. Three levels show you how to find the keys, type words, sentences and paragraphs--all

without looking. Thank goodness. Because that way you won't have to take your eyes off the full 256-color VGA graphics. Sound effects and famous Mario music included in this #1 seller. [SRP \$39.95]

BATTLE CHESS 4000™

Somewhere among the stars, far into the future, a translucent chessboard is about to become a battlefield. You control digitized clay model characters as they squash their opponents and zap their enemies in

3-dimensional SVGA graphic excitement. Full of humor appropriate for any age, BATTLE CHESS 4000™, the newest Interplay chess adventure, also has the strongest and most versatile chess program on the market. With a massive opening library of over 300,000 moves, it can handle any level of opponent. And it learns as it plays by constantly adding strong moves to its database! [SRP \$59.95]

SOLITAIRE

FOR WINDOWS™

the CLASSIC 5™

Backgammon Chess Bridge Go Checkers

Now five of the world's most popular classic games are in one fantastic package! Test your strategy with Backgammon, selecting aggressive or defensive styles of play. Conquer the world in Go, fighting across the lands of earth

bounded by sea. Check your skill with this 2- and 3-D version of Chess. Make a bid and try your hand at a classic game of Bridge. Finally, have some old-fashioned fun with Checkers--its strong algorithm makes it challenging

for children of all ages. One package. Five games. Hours of entertainment. [SRP \$49.95]

Need a little time to yourself? Here's the answer.

Because now the fun and challenge of 12 different solitaire games will keep you riveted to the screen for hours. And if you think playing alone sounds lonely, com-

pete against others in the Tournament mode or Championship game. Strategy is pivotal. The graphics are riveting. And with the user-friendly ease of Windows™, learning to play is a breeze. [SRP \$49.95]

Battle Chess™

Beware ye noble warrior! For all around you medieval knights, kings, queens and pawns are

returning to life in the ultimate, mind-challenging chess game. Unlike other computer games that simply capture the logic of chess, Interplay's classic BATTLE CHESS™, one of the industry's most famous #1-selling computer games, captures the enemy in colorful, humorous and

dramatic 3-D animations. VGA graphics combine with a magnificent chess logic system in this truly classic chess game, while mood music and combat sound effects create a medieval minefield that'll blow you away. (SRP \$29.95)

BRIDGE DELUXE WITH OMAR SHARIF™

Imagine yourself at the tables of Monte Carlo, playing bridge with the master of the game. And Omar Sharif,

world-famous actor, bridge columnist and card player is your partner and personal tutor! BRIDGE DELUXE WITH OMAR SHARIF™ is the world's first talking bridge

game with full VGA graphics, major soundboard support, an on-disk tutorial and an easy-to-use, point-and-click interface. It's the perfect way to learn to play the world's greatest card game! (SRP \$49.95)
